PRINCIPAL’S COMMENTS

It’s good to be back
I thought it would be a good idea to introduce myself to new parents in 2013 who have not met me. I have been on long service leave for the first semester, and was very fortunate to be able to travel to Brazil and Tonga for six weeks of my break. It was a great chance for me to get more regular exercise, read and get a few things done around home.

While I was away, Anneliese Kosach, an experienced Principal more than held the fort for me, the staff, our students and the school community. I had a number of meetings with her during the semester, including a hand-over meeting just before the end of last term. She always started by complimenting our staff on their professional approach and their dedication and care for our students. It was great to hear this, but not surprising. It’s one reason why it really is good to be back.

Thank you to Mrs Kosach and to all staff for your efforts in Semester 1.

Since the start of this year, almost 30 new students have joined our school. While I have met most of them in the last ten days, I am yet to meet many of their parents. So, I’ve included a photo of myself here, so at least you will recognise me!

Congratulations to two of our senior students
Last week, Carys Waetford competed in the State Cross Country Championships, finishing 13th. To reach this level of competition, Carys had already been placed highly in our school, the local District and Regional Cross Country races. Carys is the only student from Ballam Park Primary School to have reached the Cross Country State Championships in the last seven years.

Courtney Holton has also achieved something that no other student (that we can remember) from Ballam Park Primary School has done.

Courtney has made the cast of performers in the State Schools’ Spectacular at Hisense Arena this Saturday. Courtney, who has won Victorian Roller Skating Championships in the past, will be showcasing her skating skills as part of the show.

Thank You
Thank you to the Frankston City Council Indigenous Nursery for the 80 plants for our school's involvement in National Tree Planting Day - coming up in August.

PUPIL FREE DAY
FRIDAY, 26TH JULY

Please note that tomorrow, Friday, 26th July is a School Council approved Pupil Free Day, therefore students will not be in attendance on this day. Teachers will be undertaking Curriculum planning.

Resilience

Resilience is an attribute that assists a person to make the best of life’s opportunities and to look optimistically to the future when life’s challenges are less than pleasant. The best time to develop resilience is when a person is young, so here are two articles that I think are worth reading.

THE MINDSET OF A RESILIENT CHILD

Resilient children are hopeful and possess high self-worth. They feel special and appreciated. They have learned to set realistic goals and expectations. They have developed the ability to solve problems and make decisions and thus are more likely to view mistakes, hardships and obstacles as challenges to confront rather than as stressors to avoid.

Resilient children are aware of their weaknesses and vulnerabilities, but they also recognise their strong point and talents. They have developed effective interpersonal skills with peers and adults and are able to seek out assistance and nurturance in appropriate ways. They focus on the aspects of their lives over which they have control rather than those over which they have little or no influence.

If you would like to read the rest of this two page article:

10 WAYS TO MAKE YOUR CHILDREN MORE RESILIENT

By Robert Brooks, Ph.D. and Sam Goldstein, Ph.D.

Parent/Teacher Meetings

Our Parent/Teacher Meetings held on Tuesday June 25th were very successful, with 76% of students having a parent meet with their teacher.

There were 15% of students whose parents did not have a meeting and 7% of students who did not either because their parents did not show up or cancelled after making an appointment.

The importance of good communication and working together in a partnership results in better learning and social achievements for students. Parents are always welcome to contact their child’s teacher to make an appointment to discuss their child’s learning. Teachers will be making contact with parents who missed the June meeting opportunity soon.

SCHOOL PHOTOS DAY
TUESDAY, 6TH AUGUST

Our school photographs will be taken on Tuesday, 6th August 2013. Order forms (one per student) were sent home last week and additional forms are available at the office. Please return the envelope with payment for your child to give to the photographer on photo day.

It would be greatly appreciated if all students could attend in full school uniform, including wearing a blue uniform top (apache jacket/windcheater/bomber jacket/polar fleece jacket, etc.). Thank you.
Student Health and Happiness
“When students are happy and healthy, their learning is maximised.”

‘Let’s Get Physical’
Physical activity is a key component for the development of healthy learners. At Ballam Park Primary School, we recognise the importance of physical activity for both students and staff and provide many opportunities for everyone to participate in physical activity.

Walk/Ride to School
This term we are having three ‘Walk/Ride to School’ days -

Thursday July 25th
Thursday August 15th and
Thursday September 12th

Students and family members are invited to meet teachers at either Ballam Park Preschool, or the Crossing on Cranbourne Road or the Crossing on Karingal Drive to walk to school. It’s fun and a great social way to start the day, as well as great exercise. Parents are welcome to walk with us as well.

It is interesting to note that today in Victoria, nearly one-third of all children spend less that 5 minutes walking per day. Inactive students are more likely to be overweight (it is estimated almost 25% of all children are overweight in Australia).

Walking to and from school gives children an opportunity to engage in regular physical activity; yet 70% of children are driven to school even though 80% live within 3km of their school.

Other activities at Ballam Park PS that promote physical activity include:

PE and Sports program - Students in Years 3-6 should have 180 minutes of activities and Prep-Year 2 100 minutes.

Dance Fever - dance is a great activity to promote physical and social development.

Lunchtime activities - Our Table Tennis room is popular with Years 5 and 6 students and is another great way to get some physical activity.

Lunchtime Soccer competition - Organised by Mrs Davis and Mr O’Brien, teams play games in a fun competition.

Morning Runs - Many Years 3-6 classes start the day with a morning run or relay or skipping activities.

Bike Education - commencing soon for Year 3 students. On average, there are 15 students in Years 4-6 who ride or scooter to school each day.

Organised Physical Activity outside School

A quick survey found that many of our students participate in sport, dance or other physical activities outside of school:

Football: 50  Soccer: 10
Basketball: 17  Rugby: 5
Netball: 12  Drama: 2
Dance: 36  Bowling: 1
Swimming: 7  Dirt Bikes: 1
Gymnastics: 11  Horse Riding: 3
Martial Arts: 28  Little Athletics: 5

The total reveals that approximately 50% of our student population is taking part in some type of organised sport or physical activity outside school. This not only helps ensure students are getting physical activity but also they are interacting on a social level and experience a sense of connection to
Rehearsals for our Year 6 Musical Production, ‘BLAST OFF’ have begun! We are having a lot of fun rehearsing and working with all the Year 6 students.

This year we are approaching local businesses for corporate sponsorship. If you operate, or work for, a business that would like to sponsor our Year 6 Musical we would greatly appreciate your support. In return for your kind donation, we would include your company details and logo in our musical program and on our hall foyer display board.

If you would like to take part in this exciting opportunity, we would love to hear from you by Friday, 16th August.

Thanking you, Mrs Burrows and Mrs Street

EDUCATION MAINTENANCE ALLOWANCE (EMA) SECOND INSTALMENT

Applications for the Education Maintenance Allowance (EMA) must be submitted to school office by Friday, 2nd August 2013 for the second payment.

Parents with continuing eligibility, who were paid the first instalment of 2013 through our school, will NOT BE REQUIRED to complete a new application for the second instalment.

NOTIFICATION OF STUDENT ABSENCES

It is requested that parents please ring the school on 9789-5614, prior to 9.30am, to advise if their child will be absent.

ENTERTAINMENT BOOK 2013-14

There are only a few Entertainment Books left now at school, at $65.00. Don’t miss out on these great savings! A sample Entertainment Book is on display at the office.

You can also check the savings available by logging on to: www.entertainmentbook.com.au
YEAR 2 MAKING DIORAMAS
School Sport Victoria – State Cross Country

After excelling at school, District, Zone, and Region level, Carys W from Year 5 competed in the State Cross Country last Thursday at Bundoora. Carys was up against the best runners from all over Victoria in the 10 year old girls age group over 2km, and performed extremely well to finish 13th out of 99 competitors.

Needless to say, just reaching the State level of competition is an amazing accomplishment, but to finish 13th overall is just a fantastic result by Carys.

Just to give an idea of how well Carys performed in cross country over the last few months, her results are:

- Ballam Park PS House Cross Country – 1st place
- Murdoch District Cross Country – 1st place
- Southern Peninsula Division Cross Country – 4th place
- South-East Regional Cross Country – 1st place
- SSV State Cross Country – 13th place

Congratulations, Carys on all your wonderful efforts and accomplishments!

Inter-school Winter Sport

The Inter-school Winter Sport season for Years 5/6 students concluded at the end of Term 2 for all teams in football, soccer, netball, tee-ball and newcombe.

All teams should be congratulated for the outstanding behaviour and sportsmanship shown every week, participating in sport against other schools within our district.

Thank you to Mrs Burrows, Mrs Street, Mrs Simmons, Mr Ennis, and Mrs Buxton for coaching and organising winter sport, and to those parents who came along to lend their support as well.

Year 3 Bike Ed

Students in Grade 3H will participate in Bike Education throughout Term 3 on Friday afternoons, starting on Friday, 2nd August.

The program is designed to improve students’ riding skills and confidence, and to provide them with a basic awareness of traffic safety and road rules.

All students in 3H have received notices with all relevant details for their Bike Ed Program, and will need to have their bikes and helmets ready to begin next Friday.

Athletics

Much of Term 3 for Years 3-6 students will be spent participating in various athletics activities in both PE and sport time. This will enable students to experience a variety of athletics events including long jump, triple jump, high jump, hurdles, relays, shot-put and discus.

Those students who excel in certain events may then be selected to compete in the District Athletics carnival to be held later in Term 3.

Term 3 Sport Dates:

- Friday, 2nd August – 3H begin Bike Ed
- Monday, 9th September – District Athletics (Field events)
- Tuesday, 17th September – District Athletics (Track events)
- Thursday, 19th September – B.P.P.S. FOOTY DAY

NUMERACY WEEK
MATHS COMPETITION!!

Numeracy Week is coming up quickly!
As one of the many activities for this week, we are running a competition.

If you can solve the maths problem for your year level, write your name, grade and answer on the slip and put it in the box in the office.

If you get the answer correct, you will be in the running to have your name drawn out at Friday’s assembly in the hall!

Good Luck!!

Guitar Tuition available at school

If you would like your child to have Guitar lessons at the school on Mondays, please contact Glen Vinton of X10SIV Guitar Tuition on either 5979-4575 or via email on x10sivmusic@rock.com

Glen teaches both acoustic and electric guitar styles which will incorporate major and minor chords, moving on to barre chords, lead construction and, when your child gains confidence, song composition.

Glen has been playing guitar for over 35 years and has a Certificate IV in Training and Assessment (Music). Information is also available at the school office.
This week was mainly spent indoors due to the cold weather. The children all helped set up the activities of their choice.

A RARE OPPORTUNITY to hear STEVE BIDULPH
on
RAISING BOYS & RAISING GIRLS

Steve Biddulph is Australia’s best known family psychologist. 100,000 people worldwide have enjoyed his talks on raising children – which are highly entertaining, practical and emotionally powerful. Steve and his partner Sharon are the authors of five books including The Secrets of Happy Children, Manhood, Raising Boys and more recently, Raising Girls – which have sold four million copies in twenty seven languages.

Profoundly moving, practical, often hilarious, Steve’s talks are world famous and his stories will stay with you forever. Steve is an Adjunct Professor of Psychology and one of the world’s best known speakers on parenthood and families. In a rare opportunity, he has agreed to give two talks in High Street Uniting Church, Frankston now having decided to slow down from his touring to concentrate on his writing.

RAISING BOYS – 7.30 pm Monday, 12th August
Everyone who has boys today is concerned for them. We all want our boys to grow up to be happy, positive, caring and motivated. Come and hear about how this can be done – in simple, practical ways that will make immediate sense...

RAISING GIRLS – 7.30 pm Tuesday, 13th August
What’s happening to our girls? At all ages, they need our help to believe in themselves. They are growing up too fast, and stressed and unhappy. Yet girlhood is meant to be an adventure and a joy. Come and hear what we have to do to raise our daughters well. From toddlerhood right through the teens, there are specific things you can do to help them to be wise, warm and strong.

TICKETS are $35 single or $60 double (either 2 on one night or for one on both nights) However, you must book!
