Mothers’ Day

Sunday, 12th May is Mothers’ Day, and on this day we appreciate our mothers or mother figures, which could include stepmothers, relatives, guardians (eg. foster mothers), and close female friends. Each family may choose their own way of celebrating Mothers’ Day from giving Mum breakfast in bed, a special family lunch or dinner or a gift of chocolates and flowers. Some families may even participate in the Mothers’ Day Classic run which is a 4 or 8 km run/walk around the Alexandra Gardens in Melbourne to raise funds for breast cancer research. Whatever you do, it is nice to show how thankful and how much you appreciate all the things that your Mum does for you.

On Thursday, the children in the Junior School invited their Mums or special person along to enjoy some special treatment. The children looked after their guest with relaxing footbaths, hand treatments, relaxation sessions, even a visit to the hair salon for some gentle brushing, ending with afternoon tea and some fantastic live entertainment provided by our own Music teacher, Mr Ennis.

What’s special about your Mum?

My Mum cares about me and spends time with me. I’m going to make her breakfast in bed on Mothers’ Day. Bailey

She loves cooking Greek food and she loves kittens and snuggling up with me. Kaitlyn

My Mum is kind and helps me a lot. She tries to make me laugh but sometimes it doesn’t work. I think I will make her a special card and take her out for dinner. Ondine

She is kind and helpful and also very neat. I’m nearly as tall as her. She loves dogs. Ashley

She likes green and she cares about me. She cleans up my room. She’s going to stay in bed for two hours and I am going to make her breakfast. Khieren

Only One Mother
Hundreds of stars in the pretty sky,
Hundreds of shells on the shore together,
Hundreds of birds go singing by,
Hundreds of lambs in the sunny weather,
Hundreds of dewdrops to greet the day,
Hundreds of bees in the purple clover,
Hundreds of butterflies on the lawn,
But only one Mother the world wide round.
Dear Parents

CROSS COUNTRY DAY
Our School Cross Country Running Day was held in very windy conditions last Friday. It was wonderful to see lots of parents who came along for support. All children competed and did their best to score points for their House. There was a lot of fitness, determination and courage on display and all children put in a huge effort to complete the event. A highlight was seeing students encouraging others in the run.

At Friday's assembly, medals were awarded to the first three place-getters of each age group. Congratulations to the winning House, Marsh. Good luck to the top ten place-getters in each age group who now go on to the District Cross Country on May 22nd at Baxter Park.

Many thanks to the parents who came along to support their children, teachers who supervised and recorded the event and also to Mr O’Brien who organised 'the run'.

STAFF CAR PARK
Recently I have noticed that some parents are using the staff car park for pick-up and drop-off of students before and after school. I would like to remind parents not to do this.

This is prohibited in the interests of student safety. Signs on the driveway clearly indicate this. Apart from safety, there is just not enough room in the car park for all parents’ cars, and there is ample parking in Ballam Park next to the school.

However there are two exceptions (driving at walking pace)

1. You have a disabled, injured or sick child and you park in one of the two car spaces for students with a disability.

2. Before 8.10am and after 3.55pm for students attending our OSHC Program.

NAPLAN
NAPLAN preparations are progressing within Years 3 and 5 classrooms as the tests are scheduled for sitting next week from 14-16 May. The assessment tasks provide a 'snapshot' of information that schools can analyse when looking at whole school data over time.

PARENTS VICTORIA – ONLINE CONFERENCE 2013
Parents and other interested participants are warmly invited to take part in the seventh annual online conference to be held by Parents Victoria. The conference will be held non-stop on the internet, commencing at 6.00 a.m. on Sunday, 19th May, with discussion topics including:

- Reporting
- School Canteens
- Teachers
- Inclusive Education
- Education Funding
- The Impact of Technology
- Bus Safety
- The Role of the School

There is also the opportunity to comment on other Education issues. Participation is free. No special software is needed just an internet-connected computer and a browser. The online discussions are very easy to join in, and guidelines about how to participate are provided. Each day there will be a Parents Victoria host and/or special guests who will be able to respond to comments and stimulate discussion. To register go to http://www.straighttothepoint.co/pv/default.php

Prep student in 2014?
You are warmly invited to our Open Night
Wednesday, 22nd May, 6.30-8.00pm

If you are deciding on a school for your child, this is a great opportunity to come along, see our school, visit the classrooms and have your questions answered. Classrooms will be open from 6:30pm until 7:30pm followed by a performance in the Hall at 7:30pm.

School Tours: Please join us on one of our escorted tours and see for yourself our wonderful facilities. Tours will start at 6:30pm and 6:45pm, starting from the school office.

If you are unable to attend our Education Week Open Night, please contact us on 9789-5614 to arrange another time for a tour.

CANCELLED: Ladies Pamper Evening
The Parents’ Club has cancelled the Ladies Pamper Evening planned for Friday, 31st May due to lack of numbers attending. Thank you to all those parents who pre-purchased tickets.

Woolworths Earn & Learn Program

The Woolworths Earn & Learn Program is operating until Sunday, 9th June 2013.

We hope everyone will support our school by simply collecting stickers at the checkout of Woolworths supermarkets (self-service included), and then placing the stickers on your child’s sticker card. There will be one sticker for every $10 spent. Once completed, please send the sticker card to school with your child. With every sticker card placed in the box at the school office, our school will earn valuable learning resources.

Last year Ballam Park Primary School received many useful resources as a result of parents and friends supporting this initiative.

Don’t forget to ask for stickers at the check-out!
Dear Parents

There will be a large display of books for children and parents to purchase at the BOOK FAIR on Monday 20th, Tuesday 21st, Wednesday 22nd and Thursday 23rd May, 3.30pm to 4.30pm in the Staff Room.

During school hours, students will have the opportunity to look at these books with their class, and to take note of any book titles that interest them. They may like to write down a “Wish List” to take home to show you. The emphasis, of course, will be that a “Wish List” is not necessarily a “get list”!

- If paying by cheque, please make payable to “SCHOLASTIC AUSTRALIA”.
- Credit Card and EFTPOS facilities are available.

Please come and share the reading experience with your child at our annual Book Fair in the Staff Room.

Hope to see you there!

WALK SAFELY TO SCHOOL DAY
WE’RE TAKING IT IN OUR STRIDE ON...
FRIDAY, 24 MAY 2013

Well it’s that time of year again when our school seriously starts talking about walking! The event encourages parents, carers and their children to build regular walking to and from school into their daily routine, because children need a minimum of 60 minutes exercise per day. It also encourages parents to drive less and walk more, aiming to decrease dangerous vehicle congestion around schools and reduce carbon emissions from idling cars. Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn’t realistic for many of us, it’s quite easy to figure out how you can build a walk into your family’s daily routine.

You can teach your child the healthy habit of walking more by:
♦ Walking with them the whole way to school
♦ If they get the bus or train, walk past your usual stop and get on at the next stop
♦ If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic. Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 24 May 2013!

This year we are excited to introduce the Walk Safely to School Day App for Apple and Android phones. The App will allow children and parents/carers to track their kilometres travelled to and from school, time spent walking and their average walking speed.
Please use this website to download the App: http://www.walk.com.au/wstsd01/page.asp?PageID=6285

What impact does graffiti have on you, your family and your community?

Your child will explore these questions and others in a creative, education presentation themed “RESPECT IT, DON’T WRECK IT!”.

Frankston City Council recently secured a Community Crime Prevention state grant, through the Department of Justice Graffiti Grants Program, to deliver a preventative graffiti program to Primary and Secondary schools in Frankston.

The program is designed to enhance Council’s existing Graffiti Minimisation Strategy in the area of prevention, and will be delivered by Warner Awareness Education to year 5, 6 and 8 students.

Highly engaging and entertaining the program is designed to prevent youth from undertaking a range of anti-social behaviours with a focus on tagging, and provides them with crucial life skills.

The developed approach involves an interactive, entertaining presentation with the aim of involving your child in thinking about and discovering the impacts of graffiti, in particular tagging, with a focus on the criminal aspects. (It is illegal when a person damages or defaces private and public places without the property owner’s permission).

The delivery combines acting, role play and facilitation to guide and involve the students in social development topics like self respect, positive decision making and responsible action.

HOW CAN YOU HELP?

1. Talk to your child about respecting other people’s property and the issues surrounding property damage. The success of this type of program is enhanced when it is reinforced at home. Discuss the Graffiti Prevention Act that covers graffiti specific offences & penalties, e.g:
   - Marking property without owner’s consent: 
     Jail term of up to 2 years and fine of up to $28,097.
   - Possessing a graffiti implement while on or near public transport property:
     Carries a fine of up to $2,921 or an on the spot fine of up to $384.

2. Seek further information by visiting Council’s websites:
   - For fun youth activities, information and support log on to Council’s Youth Resource Centre www.youth.frankston.vic.gov.au or phone 9768 1366.
   - For Council’s Graffiti Removal and Prevention Strategies log on to www.frankston.vic.gov.au

Well done to these students. All students who finished in the top 10 for their event will now advance to the Murdoch District Cross Country on Wednesday 22nd May at Baxter Park. All students involved have received a notice this week with all details.

A big thank you to those parents who offered their time last Friday to assist as course marshals, and to the staff, student teachers, and work experience students who also helped out to make the day run smoothly.

**Inter-school Winter Sport**

The Inter-school Winter Sport season begins TOMORROW (10/5) against Langwarrin PS from 9.30am – 11.00am. Students will participate tomorrow at the following venues:

- Football – at Elizabeth Murdoch College Oval (Warrandyte Road, Langwarrin)
- Soccer and newcombe – at Langwarrin PS (Warrandyte Road, Langwarrin)
- Tee-ball and netball – at Ballam Park

All Years 5/6 students have been provided with notices outlining details for the Winter Sport season. All permission forms must be returned tomorrow morning for students to participate. Money for bus costs is not due until 24th May. Parents are more than welcome to attend at either venue to lend their support.

**Peninsula Division Sport Trials**

The following Years 5/6 students participated in District Sport trials recently and were selected into Murdoch District representative teams:

- Football: Brodie M, Hayden M, Jack R
- Soccer: Devlin L
- Basketball: Tyrone W, Saxyn P, Jacob W

These students represented the District in further trials last week for possible Division Selection. Congratulations to Brodie M (football) and Devlin L (soccer) who have been selected to the next stage of competition towards possible State representative selection.

Congratulations also to former student Georgia Gourlay, who is in Year 7 at McClelland College next door, who has been selected in the Victorian State U/18 Girls Football team and will play in the national carnival in Canberra this week. Well done Georgia from everyone at Ballam Park PS.

Health Warning:

DEECD has requested that we include in today's newsletter information about an outbreak of 'Crypto', a parasitic infection that causes gastroenteritis which can be contracted from swimming in water that has been contaminated. See attached letter.

02 May 2013

Dear Parent / Guardian of Children Attending Swimming Lessons or Swim Clubs

An outbreak of cryptosporidium infection (also referred to as 'crypto') is affecting Melbourne and many parts of regional Victoria. The Department of Health is requesting that parents and guardians of all children who attend swimming lessons or swim clubs in Victoria be provided with information on how to protect themselves and others when swimming. This letter does not indicate a problem with the facility your child attends - it is being provided across the State and contains advice that is important all year round.

Crypto is a parasitic infection that causes gastroenteritis, with the most common symptoms being diarrhoea, stomach cramps and nausea. Symptoms may last for weeks and have serious consequences for people who have weakened immune systems. During swimming, people can become infected by swallowing water which has become contaminated by human faeces, usually from tiny amounts that cannot be seen. Crypto can also be spread from person to person, especially in settings such as childcare facilities and in households where there are cases.

All swimming pool patrons are able to become infected if the pool is contaminated with crypto because crypto parasites are not killed by the normal levels of chlorine used in swimming pools. Without realising, people with crypto infection can contaminate pool water up to 14 days after their diarrhoea has stopped. Pool operators have taken steps including decontamination of water where appropriate as a protective measure, but this cannot break the cycle of crypto infection without the help of patrons.

To prevent the spread of disease, parents / guardians should ensure they and their children take the following actions to protect themselves and others:

- Do not swim if you have diarrhoea or if you have had diarrhoea in the past two weeks;
- Shower and wash thoroughly with soap before entering the pool;
- Wash your hands with soap after going to the toilet or changing a nappy;
- Avoid swallowing pool water.

For more general information on avoiding Crypto and other infectious diseases while swimming, please go to: http://health.vic.gov.au/water/recreational/cryptosporidium.htm

If you have any concerns about your health or the health of your child, please consider seeking medical advice. A simple stool (poop) test is available to diagnose crypto infection if your doctor considers that crypto may be a cause of symptoms.

Thank you for your cooperation.

Yours sincerely

Dr Rosemary Lester
Chief Health Officer
