PRINCIPAL’S COMMENTS

This term has certainly flown by. It has once again been a very busy time for the students with many tremendous achievements being obtained. I congratulate all students for striving to do their best and taking up the opportunities that their teachers have provided. I certainly enjoy the students who share their great work with me!

Enrolments are now open for Prep children who turn 5 by the 30th April 2015. If you need an enrolment pack, please pop in and see us at the office.

We are getting close to the time when we sit down and begin planning for classes next year. To assist us with our planning, we need to have fairly accurate estimates of student enrolment. It is important that we know about any families who are presently at our school but intend to transfer to another school in 2015. If this is your circumstances please let us know as soon as possible.

NOTICE TO PARENTS

2.30pm Dismissal

Students will be dismissed at 2.30pm on Friday, 19th September as this is the last day of Term 3.

Please note the Canteen will be closed on the first day of Term 4, Monday, 6th October.

Magical Mystery Tour

As I expected, we have seen another entertaining and energetic performance from our Year 6 students as they took us on a Magical Mystery Tour at McClelland Secondary College hall last Wednesday night. The success of our Year 6 Musical each year is due to the hard work of a small number of staff and parents. The Year 6 Musical is certainly a highlight of our annual calendar. Thank you to Mrs Suzanne Burrows, Mrs Lee Street, Mr Michael Ennis and Mrs Jo Lothian, and to all who assisted to make it happen.

Congratulations to all our Year 6 students on your hard work and entertaining performance!

I have enjoyed my role as Acting Principal this term and thank all those who supported me in this position. Thank you to all the families who support our school, including supporting our special events such as today’s Footy Day, raising money for State Schools’ Relief Fund.

We welcome back Mr Renouf as Ballam Park PS’s Principal at the start of Term 4, Monday 6th October.

Wishing all our students and families a safe, active and enjoyable holiday.

Sue McSweeney, Acting Principal
The Bank of Melbourne has kindly donated the use of their trailer BBQ to use for the school Fete on Friday October 17th.

We are seeking the help of a parent, who could please go to the city on Friday, 17th October to pick this up before 2:00pm.

The BBQ is built into the trailer, therefore you only need to be able to tow it.

If you can help us, please contact the school office ASAP to make arrangements, otherwise we will have to decline this help from the Bank of Melbourne.

Thank you

Cancer Council’s Relay for Life is on in Frankston this weekend!

Relay for Life is an overnight event, an opportunity for family, friends and colleagues to get together with the community to celebrate cancer survivors, remember loved ones lost to cancer and fight back against a disease that takes too much.

Relay for Life in Frankston starts at 4pm this Saturday with a survivors & carers lap (open to everyone, not just registered participants) followed by an afternoon tea at Ballam Park athletics track and runs through until 11am on Sunday.

On Sunday morning there will be a fight-back market, and we would love to see lots of people from around Frankston there.

For more information on relay for life go to www.relayforlife.org.au or www.frankstonrelay.com.au
Recognised as a Healthy School

Congratulations to Ballam Park Primary School from the Achievement Program as the school has now been accredited in the area of Physical Activity and SunSmart.

These mean that the school has met all the benchmarks and has physical activity and being sunsmart as key focus areas in the school.

Carys and Dylan pointing out the two icons that have been put onto our school sign. This sign can be viewed near the Art Room.

Some key activities that happen at B.P.P.S in this area include:

- PE and Sport programs that meet requirements
- Regular ‘Walk to School’ events
- Morning fitness for Years 3-6 students
- Promotion of students’ physical activity involvement.
- Policies and programs
- Information for parents on the importance and benefits of physical activity.

The school has been a ‘SunSmart’ school for 13 years.

The **some key features of this area include:**

- Policies and programs to understand the area of sun protection and
- Sunscreen in classrooms
- A playground with excellent shade and shade protection facilities.

Worm Farm

As part of the Frankston City Council H.O.W. program which aims to ‘Halve Our Waste’, the school received a free worm farm.

Four Year 5 students (Jackson, Trinity, Petar and Erik) helped set up the worm farm. Their job included assembling the worm farm and making a worm friendly environment in which the worms will live. They used decayed leaves, soil, shredded newspaper and coconut fibres to make the worm bedding. They also provided some food made up from organic waste. As the worms acclimatise to their new home, more trays will be added to the farm.

Now there are two ways to use our organic waste at school; one being the compost heap and the other the worm farm.

The worm farm will also produce ‘worm wee/tea’ and castings which are a highly nutritious source of fertilizers for the vegetable garden.

Fruit Trees

With the coming of Spring, the new fruit trees are showing signs of shooting. There are nine different varieties of fruit trees which were provided by the Parents’ Club.
During rehearsals for the musical we had our ups and downs, however we sure did have some funny moments we will never forget. At the start of the rehearsals, many of us were feeling nervous but it soon changed because of the amazing advice the teachers gave us.

Bela & Manuao

During our matinee, when we were doing Imagine in front of the school, it was very nerve-wracking but also fun and exciting too. Doing the whole performance in front of the school was very frightening because we were nervous and we didn’t know if we could do it amazingly. But in the end we did it and it felt amazing!

Cayla & Ben H
Waiting nervously back stage...once we went on stage it felt awesome, singing, dancing, acting and reacting. We all wish we could do it again.

Sam & Ben

Thank you to Bela and Liam for leading the whole musical for us. You guys did a great job and made us laugh during rehearsals. Also thanks to Cooper, Dakota and Dylan for introducing the Magical Mystery Tour. Thanks a lot to Tyrone and Jacob for making everyone laugh with ‘Totally’. Thank you to Sam, Tommi and Mason for telling us cool facts about the Beatles. Thank you to Reece and Saxyn for introducing the girls’ songs and dances and more! Thank you to Ashley, Carys and Bianca for dancing like an octopus and making us laugh! Thanks a lot to Pheobe and Charlotte for closing the show and introducing Imagine. Thanks heaps to everyone!

Tiya & Jim
The Year 6 Staff and Students would like to thank each and every member of the Ballam Park Primary School Community who assisted with the creation of their Year 6 Musical, MAGICAL MYSTERY TOUR. It was a huge success largely due to the support given by everyone involved.

Thank you!

Thank you also to the Parents’ Club for providing refreshments during intermission. Thank you to the staff who assisted with ticket and program sales and makeup on the performance night.
Please note that PSW have an increase in uniform item prices, effective from October 1st 2014. There has not been a price change since 2011.

The Uniform Policy is also being reviewed and will be approved at the next meeting of School Council in November. If you would like to be involved in the review of the Uniform Policy, please attend a meeting in the staffroom on Thursday October 23rd at 3:45pm.

CLOSET CLEAN OUT CLOTHING RECYCLING DRIVE

Every year the Ballam Park PS Parents’ Club runs fundraising activities so that we can raise money to pay for essential resources for our school.

Over the next couple of weeks, we are running a Closet Cleanout clothing recycling drive. Through this drive you are invited to bring in any unwanted clothes, paired shoes, handbags, linen and soft toys for re-use in developing countries. It’s a great way to get rid of outgrown or no longer wanted items.

**PLEASE NO BOOKS, TOYS OR HARD ITEMS.**

We believe this fundraiser sets a great example to our children, as it is a great way to support developing and underprivileged countries at no cost to you.

Please help us by filling the bag which was sent home last week (and as many other plastic bags if you need more) and returning it to the Ballam Park Primary School **hall between Tuesday, 7th October and Thursday, 9th October 2014**. The hall will be open **between 8:30am and 9:15am and between 3:00pm and 3:45pm on these days only** for bag drop offs.

You are welcome to fill as many extra garbage bags as you like; we are paid per kilogram collected so the more filled bags, the more we can do for our children.

Please ensure you fill the bags with only UNWANTED CLOTHES, PAIRED SHOES, HANDBAGS, LINEN and SOFT TOYS, and remember that weight is important, so coats, boots etc will be great bag fillers.

Thankyou for your involvement in this very worthwhile fundraiser. Every little bit makes a big difference.

Kind regards
