A PROUD TRADITION A GREAT FUTURE!
Ballam Park Primary School recognises the importance of the partnership between schools and parents to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children and young people.

This Statement of Values sets out our behavioural expectations of all members in this school community, including the principal, all school staff, parents, students and visitors. It respects the diversity of individuals in our school community and addresses the shared responsibilities of all members in building safe and respectful school communities.

Discrimination, sexual and other forms of harassment, bullying, violence, aggression and threatening behaviour are unacceptable and will not be tolerated in this school.

Our Statement of Values acknowledges that parents and school staff are strongly motivated to do their best for every child. Everyone has the right to differing opinions and views and to raise concerns, as long as we do this respectfully as a community working together.

RESPONSIBILITIES

AS PRINCIPALS AND SCHOOL LEADERS, WE WILL:

- Work collaboratively to create a school environment where respectful and safe conduct is expected of everyone.
- Behave in a manner consistent with the standards of our profession and meet core responsibilities to provide inclusive, safe and orderly environments.
- Plan, implement and monitor arrangements to ensure the care, safety, security and general wellbeing of all students in attendance at the school is protected.
- Identify and support students who are or may be at risk.
- Do our best to ensure every child achieves their personal and learning potential.
- Work with parents to understand their child’s needs and, where necessary, adapt the learning environment accordingly.
- Respond appropriately when inclusive, safe or orderly behaviour is not demonstrated and implement appropriate interventions and sanctions when required.
- Make known to parents the school’s communication and complaints procedures.
- Ask any person who is acting in an offensive or disorderly way to leave the school grounds.

AS TEACHERS AND ALL NON-TEACHING STAFF, WE WILL:

- Model positive behaviour to students consistent with the standards of our profession.
- Proactively engage with parents about student outcomes.
- Work with parents to understand the needs of each student and, where necessary, adapt the learning environment accordingly.
- Work collaboratively with parents to improve learning and wellbeing outcomes for students with additional needs.
- Communicate with the principal and school leaders in the event we anticipate or face any tension or challenging behaviours from parents.
- Treat all members of the school community with respect.

AS PARENTS, WE WILL:

- Model positive behaviour to our child.
- Ensure our child attends school on time, every day the school is open for instruction.
- Take an interest in our child’s school and learning.
- Work with the school to achieve the best outcomes for our child.
- Communicate constructively with the school and use expected processes and protocols when raising concerns.
- Support school staff to maintain a safe learning environment for all students.
- Follow the school’s complaints processes if there are complaints.
- Treat all school leaders, staff, students, and other members of the school community with respect.

AS STUDENTS, WE WILL:

- Behave in a safe and responsible manner.
- Respect ourselves, other members of the school community and the school environment.

- Provide practical guidance and resources to support schools to manage and respond to challenging behaviour of students, parents and staff.
- Provide practical guidance and resources to support schools respond to and prevent bullying and promote cyber safety and wellbeing.
- Provide access to evidence-based resources and strategies to increase student safety, wellbeing and engagement.
- Provide schools with practical and legal support as required.
- Provide principals with practical guidance and resources to resolve conflicts with the school.

CONSEQUENCES FOR FAILING TO UPHOLD THE STATEMENT OF VALUES

UNREASONABLE BEHAVIOURS

Behaviours that are considered inappropriate on and adjacent to school grounds or in relation to school business and that do not uphold the principles of this Statement of Values include when a person:

- is rude, aggressive or harasses others
- sends rude, confronting or threatening letters, emails or text messages
- is manipulative or threatening
- speaks in an aggressive tone, either in person or over the telephone
- makes sexist, racist or derogatory comments
- inappropriately uses social media as a forum to raise concerns/make complaints against the school
- is physically intimidating, e.g. standing very close.

CONSEQUENCES

Principals are responsible for determining what constitutes reasonable and unreasonable behaviour.

Unreasonable behaviour and/or failure to uphold the principles of this Statement of Values may lead to further investigation and the implementation of appropriate consequences. This may include:

- utilising mediation and counselling services
- alternative communication strategies being applied
- formal notice preventing entry onto school premises or attendance at school activities. Written notice will follow any verbal notice given.
- an intervention order being sought
- informing the police which may result in a charge of trespass or assault

By agreeing to meet specified standards of positive behaviour, everyone in our school community can be assured that they will be treated with fairness and respect. In turn, this will help to create a school that is safe and orderly, where everyone is empowered to participate and learn.
The 12 Do’s of Christmas

1. Buy good quality decorations that can be reused or make your own. I will do this.
2. Check that your work Christmas party organiser sets up well-signed recycling options for the event.
3. Find out what your recipients really want, or choose an experience or charity gift.
4. Choose reusable or recyclable wrapping, like paper.
5. Download the new free RecycleSmart App for all your household recycling needs.
6. Prevent food waste – plan ahead and serve smaller portions. Compost or worm farm your food scraps.
7. Most food and drink packaging is recyclable. Sort and flatten it to fit as much as possible in your bin.
8. Recycle old mobile phones, printer cartridges, computers and tablets that get replaced.
9. Give a recharger pack with any battery-operated gifts – it’ll save money and reduce the gift’s impact.
10. Ensure your car runs efficiently by inflating the tyres and tuning the engine, and recycle your old car oil, tyres and batteries.
11. De-clutter the house – recycle from the yard, garage and attic.
12. See if your council has a special mulching service for the Christmas trees or take it to the garden section of your local recycling facility.

‘Tis the season to commit to reduce, reuse and recycle.

For more information on these recycling tips, to find local options and to reduce your eco footprint this Christmas visit 12dos.planetark.org.

It was fantastic to see the entertaining and energetic students in the Year 6 Musical “Tribute” at McClelland College hall! The Year 6 Musical is a highlight of our annual calendar, and its success is due to the hard work of staff, in particular Mrs Burrows and Mrs Solis, the Musical Team and to all who assisted to make it happen. Congratulations to all our Year 6 students on a fantastic night and a wonderful performance!

The Year 6 staff and students would like to thank each and every member of the Ballam Park Primary School community who assisted with the creation of our Year 6 Musical “Tribute”. It was a huge success largely due to the support given by everyone involved. Thank you! Thank you also to the Parents’ Club for providing refreshments during intermission, and to the staff who assisted with makeup, ticket and program sales on the performance night.

**Slip, Slop, Slap, Seek and Slide!**

Two out of three Australians will be diagnosed with skin cancer by the time they reach 70. We have one of the highest rates of skin cancer in the world with over 750,000 Australians being treated for skin cancer each year – that's over 2,000 people every day.

You are most at risk of skin cancer during times when the UV index is at 3 or above. You can check the daily UV index at [www.bom.gov.au/vic/uv/](http://www.bom.gov.au/vic/uv/).

The Cancer Council recommends these five simple ways to protect yourself from the harms of skin cancer:

1. **Slip on a shirt** or other form of clothing that covers your arms
2. **Slop on sunscreen** that's SPF 30+ and reapply every 2 hours
3. **Slap on a hat** with a broad brim or one that covers your face, neck and ears
4. **Seek shade** away from direct sunlight
5. **Slide on sunglasses** that are close fitting and have UV protection

But what about vitamin D? During summer, most people can achieve adequate vitamin D levels by exposing their face, arms and hands to direct sunlight for just a few minutes most days of the week.

Remember, treating vitamin D deficiency is a lot easier than treating skin cancer! If you’re in doubt, speak to your doctor about getting your vitamin D levels tested. For more information about the dangers of skin cancer as well as information about vitamin D, go to [www.cancer.org.au/preventing-cancer/sun-protection/](http://www.cancer.org.au/preventing-cancer/sun-protection/).

**Christmas Cavities**

*Looking after your teeth these holidays*

1. **Try to stay in a routine**
   
   Trying to keep up with your day-to-day routine is hard during the holidays. This is a busy time of the year so it easy to forget to do the everyday routine. By keeping up the oral hygiene routine this will help maintain the health of your teeth and gums.

2. **Moderation is key**
   
   You don’t need to avoid sugary foods altogether these holidays, it is about moderation. Instead of drinking fizzy drink, drink water or milk. Swap the sweets bowl for the fruit platter.

3. **Avoid leaving sugar on your teeth**
   
   If you do eat some high sugar foods try not to go too long without brushing your teeth afterwards. The longer you leave sugar on the teeth the more damage it does so brushing soon after eating sugary foods is highly recommended. Alternatively you can rinse with tap water.

4. **Brush night and morning**
   
   Brushing first thing in the morning and the last thing before bed is a good way to make sure you stay in your routine and a good way to make sure sugar isn’t sitting on your teeth overnight.
