Outside School Hours Care with Camp Australia

Camp Australia is committed to ensuring that children in our care receive a variety of healthy food choices to meet their nutrition requirements for a healthy body and mind.

We also ensure that our Educators are supported in their important role of helping children develop a positive attitude towards healthy choices. That’s why we’ve been working with Nutrition Australia’s Healthy Eating Advisory Service (HEAS) to develop an exciting new initiative—Camp Australia’s Healthy Eating Program.

Nutrition Australia evaluated our food and drinks menu against the Department of Health and Human Services’ Food and Drink Guidelines for Outside School Hours Care, and suggested some enhancements to ensure that children’s nutrition requirements are met and enable us to broaden the variety of nutritious food choices we can offer. So a new menu is now being offered to our young clientele.

Dear Parents

Camp Australia is supporting The Smith Family by raising funds to support “Learning for Life” program. We are offering a week of fun with a **Teddy Bears’ Picnic**. Children who attend Ballam Park OSHC will be asked to bring their bear to the picnic and donate a gold coin. This will take place in the week beginning **Monday, 15th August**, and the donation will help provide disadvantaged children with education essentials (e.g. books, bags, uniforms) and learning support. Our non-profit organisation, Camp Australia Foundation, will proudly match every dollar raised. Please help us support the education of disadvantaged Australian children.

Wishing you all a wonderful week!

It is a legal requirement that all volunteers and workers involved in any school must have a WWCC. A WWCC can be obtained by completing the online application form at:

1. The applicant completes the online application after logging on.
2. To complete the process, the applicant then takes their required evidence to the Post Office.

**When completing your application:**

- You must provide true and correct information on the application form.
- You need to provide the Department of Justice with any additional information requested regarding your application or your application will be withdrawn.
- You will be giving the Department permission to obtain information that will help assess your eligibility to hold a WWC Check card.

**Before you start child-related work:**

You must apply for a WWC Check.

- You need to show your receipt to every organisation who engages you in child-related work.
- Organisations are obliged to make sure people doing child-related work have applied for and passed the WWC Check.
- Organisations are also obliged to make sure their workers are legally permitted to do child-related work while their application is being processed (see the next point)

**Undertaking child-related work during the application process**

Most people can undertake child-related work while their application is processed.

**However you cannot if you:**
